

“May be there is a road ahead of it, May be there is a new world down the road, May be there is a new world down the road, Walking forth is the only plight, Because we didn’t come this far to come this far only”

A heart filled with aspirations is all that we knew since the very existence of the school and that’s what gave us the ambition of marching forward till excellence is achieved in all our endeavors.

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

The new academic year 2021-22 begins with new thoughts covering the short comings of the previous academic year. We have come with new commitments, new ideas, to provide a platform for the improvement of every nook and corner of curricular cum co-curricular activities with a predesigned academic planner for holistic development of child’s personality.

This session begin with the orientation programme for the parents of the students through online mode. The programme made the parents aware of the scheme of education we impart here at our school.

Keeping ourselves up with the pace of the modern world, school started Edusecure service which transformed the entire school chores channel through the Information Technology, bringing in more transparency and enhanced communication with parents and community.

Making our students globally relevant is the need of the hour and with the same idea, we are going to start French classes through online mode also for classes 1st to 7th. Yoga, Taekwondo, Music and Arts classes also we are going to start through online mode from beginning of the session for classes Nursery to 10th. And we are going to start our coding classes, too in the new session (2021-22)

With the sole purpose of updating teachers knowledge, the school teachers attended many CBSE trainings through online mode. Attendee teachers further share the knowledge with other fellow teachers widening the sphere of wisdom.

To take part is what counts in competition and lesson of victory and defeat are what we get in return. This environment was sufficient created through competitions. Bistians took part in various interschool competitions and brought laudable laurels to the school.

BIS celebrated World Environment Day on 5th june with Bistians and according to the theme (Time for Nature) tried to create awareness among students and motivated to them plant a tree and take care of it.

We are drowning in information and severely starving for wisdom today. We just need to break the cocoon and let in the beautiful colours of knowledge. BIS is sure in the coming years, we shall successfully channelize the halo of the young minds to explore best of their abilities.

Towards the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. BIS is coming with the 'Cricket Academy' this year, which is possible only with the great efforts of management.

I thank all the teaching and non teaching staff for their tireless efforts in implementing the role map of imparting quality education here. I also extend my heartfelt thanks to the parents of our students for their continuous support.

With that, let us foresee a world of universal singularity where our children are going to be the propellant of this change and the world shall be a beautiful place to live in!!
