

BIS ANNUAL REPORT (2021-2022)

Rich high for stars like hidden in your soul dream the for every dream leads the goal. We delight in the beauty of the butterfly but really admit the changes that we are we all go through our lives that constantly proves us and with 'Maya Angelus' words for train this throw in the most dazzling way possible.

I take this opportunity to thank the almighty for leading and guiding us and two provide exemplary educational experiences for students and in preserving the integrity integrity of learning with a meaningful Curriculum all round development of the children in physical social emotional aesthetic moral and in spiritual aspects.

The school is co-educational and affiliated to the CBSE it is up to 10th system of education the Administration of the school is visited with the chairman and Mr Gaurav Ram Jhunjunwala.

It is my pleasant duty to present the Annual report of the school for the Academic year 2021-2022. School reopen on 12 April, 2021 in a pro earful ambience online and offline both ways.

The Annual report of Baddi International School Baddi articulates and demonstrate the dynamic nature of our school and our commitment to excellency. The report also provides some idea about the way resources have been used to provide quality teaching and learning environment for our children during the coved period. The school collectively has an enthusiastic and dedicated team of 25 teachers in the Secondary , Primary and the pre- Primary sections. In additional we have not-teaching and supporting staff. Their coordination with each other is what enables the school two function smoothly and grow with new perspectives.

Innovation is the change that unlock new value which leads to success. The school continues to the stripe towards innovation and for that the latest practices in the field of education are being continuously incorporated.

Academics:-

Academics is the core focus of our school. All the possible efforts have been taken and use will continue to take to ensure Academic excellency in our school. We believe that excellence in Academics in the hall mark of our School as a good institution. We are proud to report that 2021-2022 batch of 10th standard students have brought laurels to the School by their excellent. We achieved 100% results in CBSE class 10th examination.

Online classes:-Our biggest achievement in the session 2021-2022 was conduct the online classes successfully with the helping hand of the parents. Keeping in view the international standards in education the child academy pre performance was measured in a series of periodic term-1 and term-2 examinations with a lot of emphasis on learning through doing process.

The academic year 2021-2022 commenced with online classes then for classes 8th to 10th face to face of line classes also started.

Competitions/Events/Functions:-
