

ANNUAL REPORT (2022-23)

**“Take pride in how far you
have come and have faith in.
How far you can go...
Celebrate what you
Accomplish and raise the bar
Each time you succeed.”**

Learning is not the product of teaching. Learning is the product of the activity of learners" - John Holt

There is always a podium laid for every individual to Dream! To Desire!
To Determine! To Decide their Destiny.... **Baddi International School** is
one of the best in discovering every approach as flair to bloom into
vibrant colour.

A very warm and pleasant evening to everyone present here. It is
indeed a beautiful evening all sort in the delighted frame of mind.

Our Honourable Chief Guest Honoured **Shri Mohit Chawla Ji**, SP, Baddi,
Guest of Honour Honourable **Smt. Nidhi Gautam**, Senate member of
Punjab University, Chandigarh.

Honourable Secretary Sir **Mr. Gourav Ram Jhunjunwala Ji**, Esteemed
guests, my fellow principals from various schools , members of faculty ,
parents , media persons and above all my beloved students. It gives me
immense pleasure to welcome you all to the 5th Annual day of the
school. Our school motto '**Perseverance brings success**'. It is the
guiding philosophy at BIS. Perseverance is one of the key qualities that
each one of us need. It is the power that brings us closer to success, the
ability to keep on moving.

The Annual day is the occasion to celebrate a time to look back with pride and look ahead with vision & I feel elated today to represent school report.

Before giving the report of current year want to show the flash back of two years of Pandemic.

The covid-19 Pandemic has forced educators to transform their lessons to online versions in short span of time.

The academic year 2020-2021 & 2021-2022, faced a very challenging time which brought the world to a complete halt with the Corona pandemic and with lockdown all over the nation. This isolation was unique and unprecedented event in our lives.

Our teachers had to change to online teaching, requiring them to use various digital tools, and resources and implement new approaches to teaching and learning. I am grateful to have such wonderful team of teachers. They stood up and made the pandemic into a successful and fruitful academic year.

During online classes, not only teachers gave their classes on Zoom or Microsoft Team, but through lead school recorded lectures also we provided. School conducted many programmes, events and competitions, virtually. School organised Shakespeare's Day, World Earth Day, Labour Day, Mother's Day, Anti Tobacco Day, Environment Day, International yoga Day, Independence Day, Raksha Bandhan, Krishna Janmashtami, Teacher's Day, Diwali celebration, Children's Day, Samvidhan Diwas, National Pollution Control Day, World soil day, Anti Corruption Day, Christmas day, Lohri Celebration, National Science Day, National Mathematics Day .

Bistians participated in many interschool competitions and Olympiads, virtually. They participated in Unison Inter school cooking and drawing ,

in Maths & Science Olympiad, Wiziclub reasoning and aptitude Olympiad.

CBSE circular activities had also been conducted online like Fit India Campaign, Veer Gatha project, Ganga river campaign, National Voters awareness.

- CBSE launched a **Cultural Exchange Meet** programme under the theme of **Ek Bharat Shrestha Bharat**, for that CBSE made pair of states, Himachal Pradesh paired with Kerala. So BIS conducted this cultural exchanged meet program with one of the Kerala school named Vivekanand Central.

Now come to the current year 2022-23. I am privileged to undertake the pleasurable duty to present Annual Report of Academic Session 2022-23. The school re-opened on 24th March, 2022 in a prayerful ambience. BISTIANS were so happy to come back to their second home. For continuously 10 days we gave counseling session and basic skills classes to our BISTIANS.

The **Annual Report** of Baddi International School articulates and demonstrates the dynamic nature of our school and our commitment to excellence. The report also provides some idea about the way resources have been used to provide quality teaching and learning environment for our children. The school collectively has an enthusiastic and dedicated team of 35 teachers in the secondary, the primary and the pre-primary sections. In addition, we have non-teaching and supporting staff. Their coordination and unity with each-other is what that enables the school to function smoothly and grow with new perspectives. Their love and dedication for school is unstoppable.

Trainings:- The learning of learners, current trends of teaching and learning requires a regular updating of teachers. Our teachers including me constantly strived to stay updated by attending various virtual

seminars, workshops and training programmes, teachers attended many trainings through CBSE capacity programmes and through different portals of CBSE. I attended NITTR training work shop in Chandigarh for entrepreneur skills, capacity building program at Army Public School, Chandi Mandir. Our 2 teachers attended training of Happy classroom by CBSE resource person at Gyan Dham public school. Our teachers are always eager to learn and accept the recent trends in education and ensure maximum learning outcomes in the teaching - learning process. On DIKSHA portal teachers attended competency based education, Experiential learning course, Aryabhata Gaint challenge, Artificial intelligence courses.

Academics :- Academics is the core focus of our school. All the possible efforts have been taken, and we will continue to take, to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school, as a good institution. Not only this, BIS aims to focus on giving the *best education* and creating a lifelong passion for learning among pupils.

Excellent CBSE class 10 th result, filled us with pride and I feel honoured to mention that, we had 100% results for both the academic years 2020-21 and 2021-22.

Lead:- BIS is co partnered with lead school which provides multimodal learning, subject specific pedagogies and giving unmatched exposure to students, provides time to time Teacher development workshops, too.

In lead for the KG section, we are following integrated curriculum, student focused, thematic and multi-modal. In integrated way we cover music & movement, EVS, English, Math, Creative Arts, Physical Education, and Social & Emotional development.

Detailed lesson plans and resources present in Teacher Tab, School excellence Kit, Reader book, workbook bring integrated classrooms delight.

Primary & Middle:- Teachers prepare for each class using lesson plans and teacher resources on their teacher tabs. With one click the teacher tab connect with smart TV for audio visual learning. Lesson plans guide her/him through teacher led, through group practices and individual practices. Where ever the lesson plans indicates teachers, use learning resources provided by lead for activity based learning.

Elga:- In our curriculum , students do not learn English as the subject, they learn as a skill. We call it Elga, English language and General Awareness. In Elga, students are taught based on current English skill level irrespective of their age. Students are taught using phonics, whole words, reading & listening comprehension, grammar and writing & speaking expression. Each Bistian developing and directing a specific skill. All these integrated with general awareness and values.

CCS:- Lead offers coding and computational skill programs which makes our Bistians ready for future with their designed computer labs. Projects in the CCS curriculum integrate computers with concepts from real life and other subjects. For example, a grade 3 students builds games such as maze games on scratch Jr., a grade 6 student builds a visualization that proves Pythagoras theorem using python.

Robotics:- Making our students globally relevant is need of the hour and with the same idea, we are also providing robotics training, too, to our Bistians. In this period, students themselves make some projects with the help of tools available in the Robotic lab under the teacher's guidance.

BIS Engineering:- BIS provides one special period to Bistians weekly, in which students learn innovative ideas to generate, something new under the able stewardship of their teacher.

Labs:- BIS provides all the laboratories Biology, Chemistry, Physics, Math and CCS to Bistians where Bistians get learning by doing

education which go deep in their mind. In labs, Bistians learn to use the tools and conventions of subject.

French Language:- BIS introduced French language in 2019 . This is the forth session that Bistians are nourishing themselves with one extra language which is very beneficial for their future .

Meditation:- BIS understands that in modern era, lifestyle is stressful and children are also stressed. Meditation is a simple practice available to all which we are giving here in BIS campus to our Bistians which can reduce stress, increase calmness and clarity, promote happiness and increase concentration.

Co- Scholastic Activities:- With the curricular or scholastic activities BIS is providing many Co- Scholastic activities also to our loving Bistians like Taekwondo , Skating , Horse riding , Cricket, Yoga , music and Dance. For each activity special coach is there who comes weekly and train to our Bistians.

Morning Assembly:- The morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It is the face of any school. The assembly starts with the Morning Prayer which is believed to provide peace and serenity to our mind and souls. Probably it's the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent mind, that's why we make a system in BIS of class wise assembly. For a week, one class is on duty so that every child should get a chance to speak. Even our kindergarten students are also trained for conduction of the assemblies.

Teacher's Prayer:- In BIS , every morning teachers sing a prayer song for loving Bistians to tell them how precious they are for them , teachers understand the young minds and they can bring their concerns and worries to them and teachers are their friend, philosopher and guide.

Four Houses:- The students and the teachers are divided into four houses which are headed by captains and vice - captains who are guided by the house masters. Inter house competitions are organized for various cultural and co-curricular activities. The house system fosters a spirit of co-operation and healthy competition.

There are **four houses** in BIS:-

1. Blue Jay (Blue)
2. Flamingo (Yellow)
3. Kingfisher (Red)
4. Nightingale (Green)

Library:- BIS establishes two libraries in school. One for KG section and one for seniors so the Bistians can develop and inculcate reading habits in their nature. School library serves common use to meet the educational, informative and recreational needs of the Bistians.

Radio show :- I take pride to mention that our school is doing one prestigious Radio show. In which, students at the time of lunch break perform their talents as Radio Jockeys. Even as a radio jockey, Bistians conducted the interview of Respected Principal.

Virtue of the Month:- At the beginning of the session, in the academic planner school has given eleven topics, one for every month, according to the given topic or theme, each class prepares some ideas or work and decorates their class bulletin board and class- teachers, also participate in this activity. On 28th of every month, judges observe and give result to the authority and winning class gets the award.

CBSE Activities:-

Hubs of learning:- CBSE has made cluster of eight schools, Chinmaya Vidyalaya, Nauni is the lead school and has planned sessions/ activities for throughout the year, with partner schools namely Baddi International, Bhojia Vidyapeeth, New Ghan Dham public school,

PTA :- BIS elected **Parent Teacher Association** in 2021-22 for that **BIS** selected one parent from each class as a representative to create a great rapport between parents and school. In this session 2022-23 also some of the new parents joined PTA as the representative of one particular class. Mrs. Minakshi Rattan was elected President and Mr. Deepak Manglaya elected Vice-President of PTA. On the last Saturdays of every month PTA meeting is organised in school campus. All the school related matters are always discussed in this meeting openly with all the members.

PTM:- PTMs or open house are arranged periodically. We cherish parent's cooperation and their timely constructive suggestions in our endeavour of imparting quality education.

Before concluding this report, I bow my head in reverence to the almighty God for the blessings he showered on this institution.

I take this opportunity to express my deep sense of gratitude to our management for their steady support.

I also extend my heartfelt thanks to all our beloved parents for their continuous support to BIS.

I thank all the teaching and non teaching staff for their dedicated efforts, which is the key to our success and achievements.
