

## **Annual Report (2023-24)**

***“Together we can; we will”***

***“Together we can change the world, just one random act of kindness at a time.”***

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.

“Together let us desire, conceive, and create the new structure of the future, which will embrace architecture and sculpture and painting in one unity and which will one day rise toward heaven from the hands of a million workers like the crystal symbol of a new faith.”

It is the changes that we all go through our lives that constantly improves us, and with Maya Angelous’s words portraying this thought in the most dazzling way possible, I would like to wish you all a very pleasant evening.

I take this opportunity to thank the Almighty Lord, for giving us strength in fulfilling our objectives to upgrade the level of school’s standard for handling over the children and guiding all of us in establishing an Education Hub.

On behalf of the management ,staff and students of the Baddi International school, I, Ms. Marin Paul, cordially welcome our Honourable Chief Guest, Deputy Director of Higher Education, Solan Shri Jagdesh Chand Negi Ji, Honourable City Coordinator Mrs.Masuma Singha ji, Honourable secretary sir Mr. Gaurav Ram Jhunjhunwala Ji, Esteemed guests, my fellow principals from various schools , the other invited dignitaries, all parents, members of faculty, media persons and above all my beloved students. It gives me immense pleasure to welcome you all to this occasion that is our school’s 6<sup>th</sup> Annual Day

“Together we can: we will “. I would like to thank you all for responding to our invitation and gracing this occasion.

I take immense pleasure to present the Annual Report of our school to apprise you all, how the mission and philosophy of the Baddi International School have materialized positively in the day to day working of our school in the voyage of the discovery of excellence in the field of education.

Before starting about this year , I want to tell you about the activities which we have organized after the Annual Day of last year. We celebrated our Annual Day on 29<sup>th</sup> November ,2022. After that in December and January month also we organized some more activities like:-

On 16<sup>th</sup> December, 2022 **Vijay Diwas** was celebrated .

On 22<sup>nd</sup> December, 2023 we organized **Sports Day** in BIS and Bistians participated in many games.

On 24<sup>th</sup> December,2022 we celebrated **Christmas** with great zeal. Our tiny tots adorned in red costumes and Bistians and teachers exchanged the gifts to each other.

On 25<sup>th</sup> January, 2022 BIS celebrated **Republic day and Himachal Statehood Day**. Bistians participated in many activities like patriotic dance, singing and poem recitation and Bistians performed Nati,too.

On 28<sup>th</sup> Feb, 2022 Bistians celebrated **Science Day** with the display of different different modals.

**Convocation ceremony** for our UKG Bistians was organized on 31<sup>st</sup> January to applaud the young enthusiastic learners.

To overcome the language barriers and to promote the growth of the Hindi language globally, **Hindi Olympiad** was conducted.

In order to show the concern for the people fighting against cancer Bistian's raised a charity fund and handed over to an NGO, **Global Cancer Concern India**, working for the cancer patients.

To increase the understanding about India G20 presidency and to encourage the Bistians to relate to different parameters of **G20 declamation** was conducted.

**NATIONAL INSTITUTE OF TECHNICAL TEACHERS TRAINING AND RESEARCH CENTRE(NITTER)** had selected our school among the few schools from Himachal Pradesh and our selected students went to NITTER,Chandigarh for training session to enhance their entrepreneurship skills. Master Akhilesh Tiwari from class 10 got first position in generating ideas and Master Harsimer Singh from class 10 became runner up in 6 months entrepreneurship and rural development programme organised by NITTR.

Music binds our soul heart and emotions to bring out the singing talent of the students. Solo Singing Competition was organised at **IEC University** and our two students Bhoomika Verma from class 9th and Jay Shrutik from class 5 won gold medals in this **solo singing competition**.

BIS celebrated **Veer Bal diwas** on 26 December 2022 and our students delivered their speeches and a movie based on 4 sahibzada's was shown to them.

Our 7 students went to Pinjore to Vivekanand Millennium School to participate in different types of activities conducted by **Srijanoday Vivekananda samiti**. Our four students Trisha,Vanshika, Viviana and Tamanna got A+ and medals.

To inculcate the natural aptitude and scientific abilities among pupils, our school conducted **future tech Olympiad and space zone Olympiad**.

Now coming to this year, We have made great efforts to transform ourselves completely into the CBSE's updated scholastic format and have been extremely successful in most of our endeavours. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our portals should carry forward, the values they have inherited, excel in whatever they do and be role models in the society.

In BIS, we believe that every individual has a lot of potential, and that potential can help accomplish wonders. **That's why in our annual function also we are giving chance to all our students that our each & every child must be on stage.** So, it is fair to say that we thus believe that the future of the world starts here. The session 2023-24 is a great year, and I consider it as a moment of pride to showcase to you all the achievements and development that the school, staff and students undertook.

***"Reach high, for stars lie hidden in your soul.***

***Dream Deep, for every dream leads the goal."***

There have been many changes at the school this year in terms of high expectations, communications, behavioral management, professional development, technology, and above all, academics.

BIS family consist of well-trained , experienced and dedicated teaching staff and supporting staff.

Staying updated is the key to success in any field especially in the field of education. Our teachers including principal constantly strive to stay updated by attending workshops and various training programmes. So On 8<sup>th</sup> and 9<sup>th</sup> April **CBSE Capacity Building programme On experiential learning**, two days workshop was held in Baddi International school.

“ A group becomes a team when each member is sure enough of himself /herself and his/her contribution to praise the skills of education.”

A continuous improvement approach is the base of the school improvement, planning, and in order to ensure this, **principal teacher's meet** is organized weekly on every Saturday. The main objective is to evaluate the progress and drawbacks (if any) and thus to search new ways to improve on that particular aspect.

“Learning gives creativity, creativity leads to thinking , thinking provide knowledge and knowledge makes you great.”

The year 2022-2023 commenced on a wonderful note when the result of our 10<sup>th</sup> class **CBSE Board examination** came out. We are happy to share the commendable performances of our students with 100 % result. This is our privilege and pleasure to share with you all that BIS was the **Centre for the CBSE Board Examination for 10<sup>th</sup> and 12<sup>th</sup> ,too.**

BIS understands that in modern era, lifestyle is stressful and children are also stressed. **Meditation** is a simple practice available to all which we are giving here in BIS campus to our Bistians which can reduce stress, increase calmness and clarity, promote happiness and increase concentration.

With the curricular or scholastic activities BIS is providing many **co-Scholastic activities** also to our loving Bistians like Taekwondo , Skating , Horse riding , Cricket, Yoga , music and Dance. For each activity special coach is there, who comes weekly and train to our Bistians.

The **morning assembly** undoubtedly holds the numero uno position out of all the routine activities in a school. Probably it's the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent mind, that's why we make a system in BIS of class wise assembly. For a

week one class is on duty so that every child should get a chance to speak. Even our kindergarten students are also trained for conduction of assemblies. Before starting the morning assembly every day our Bistians recite positive affirmations which give them positive energy and good vibes and make their mind and body healthy.

In BIS , every morning, **teachers sing a prayer song** for loving Bistians to tell them how precious they are for them.

At the beginning of the session, in the academic planner school has given eleven topics of **Virtue of the month**, one for every month, according to the given topic or theme, each class prepares some ideas or work and decorates their class bulletin board with the help of class-teachers.

BIS establishes two **libraries** in school. One for KG section and one for seniors so the Bistians can develop and inculcate reading habits in their nature.

“ Strength does not come from physical capacity, it comes from unity.” The students of the school are divided into four **different houses**- Flamingo, Blue Jay, kingfisher and Nightingale. Each house is managed by Head teacher, associate teachers, House captain and House vice captain. The house on duty performs its duty of conducting the day activities, competitions in systematic and disciplined manner.

Baddi International School took an innovative step and started a **Radio show** in school premise to develop common core skills like public speaking, creating a narrative. This allows students to build a place of expression, awaken their critical thinking. Class wise-students get a chance at the time of lunch break for 15 minutes to perform their Radio show.

In Baddi International School, The students have been learning to **ride a horse** from the last 7 years. This is the equestrian sport which they are not able to learn in the Baddi area but BIS is providing this opportunity to students.

**Taekwondo** is the art of self- defense. It is recognized as one of the oldest forms of martial arts in the world. In Baddi International school, students are learning Taekwondo from the last 7 years but school has started this martial art training for the kindergarten students too, from last year.

**6<sup>th</sup> April, First day of school:-** :Learning never stops, but it begins in school. It could seem daunting, but step into the school with hope and aspiration. We are thrilled to welcome our loving bistians in our school, where students blossom, minds grow, and heart ignite.
